New 3D HD Screen Cleaner from Klear Screen®

Booth #4522 LVCC North, January 5, 2011 —

Meridrew Enterprises is pleased to announce the release of our new ***Klear Screen HD Screen Cleaner*** kit. The new kit is designed for 3D High Definition LCD, plasma, DLP® and projection systems and the attendant 3D glasses. The kit retails for \$29.95 and is available at leading retailers and online.

Klear Screen uses a proprietary anti-static solution that cleans, protects and preserves your high definition 3D screen with every use. The Klear Screen solution safely removes dirt, dust, lint and fingerprints plus leaves the screen with an anti-static finish on the surface so you don't have to clean as often. Klear Screen is designed for use on today's high performance 3D screens and matching 3D glasses. The Klear Screen cleaning system includes optical grade micro fiber cloths created especially to clean precision optics. The highly recommended, environmentally friendly, solution contains no alcohol or ammonia and is safe to use around children and pets.

New HD Screen Cleaner from Klear Screen

Page 2

The new Klear Screen HD Screen Cleaner contains 8 ounces of cleaning fluid, one large micro-chamois polishing cloth; a large micro-fiber 'terry' polishing cloth; and, four pre-moistened High Definition Singles. The complete kit contains enough cleaning solution to clean the largest high definition screen weekly for one year. Our precision micro fiber polishing cloths are washable and can be used over and over again. Complete use and care instructions are packaged in every kit.

Klear Screen is the most recommended LCD screen cleaning solution in the market today.

Meridrew Enterprises is a leading manufacturer of LCD cleaning products for consumer and institutional use and purveyor of cleaning products at leading retail stores. iKlear and Klear Screen are registered trademarks of Meridrew Enterprises.
