Economical Flat Panel Cleaning System KS-2HD Is Ready For Export

Booth #6132 iLounge, January 8, 2013 —

Meridrew Enterprises is pleased to announce

the release of our new **KS-2HD** cleaning kit

designed for the export market. This

economical flat panel cleaning kit includes a

large 36 x 40 cm (14 x 16 in.) terry style

microfiber cloth and a 60 ml (2 ounce) pump

spray bottle with our exclusive non-toxic, child

and pet safe formula. The kit has a retail value

of \$14.95 and is available immediately for

export. The kit is designed to clean, protect and

preserve all high definition flat panel television screen formats (LCD, LED, OLED, Plasma,

DLP and 3D). Our precision micro fiber cloths are washable and can be used over and over

again. Complete use and care instructions are packaged in every kit.

The proprietary solution cleans, protects and preserves modern displays with every use. Klear Screen offers an American made solution that is not only the most effective cleaner but also the safest cleaner. The Klear Screen fluid does not contain alcohol or ammonia and is a unique 100% non-toxic, anti-static cleaner designed to clean high tech displays. The environmentally friendly cleaner is children and pet safe and will not damage screens with special coatings. The Klear Screen solution safely removes dirt, dust, lint and fingerprints and leaves the screen with an anti-static finish on the surface so you don't have to clean as often. Klear Screen products are manufactured in the USA in our own California plant.

Klear Screen is the original and most recommended cleaning solution since 1992.

Meridrew Enterprises is a leading manufacturer of LCD cleaning products for consumer and institutional use and purveyor of cleaning products at leading retail Stores. iKlear and Klear Screen are registered trademarks of Meridrew Enterprises.
